

# TRAINING PROGRAMMES IN OUR POLISHING, CUTTING AND SQUARING PLANT LOCATED IN SPAIN

Customized Solutions For  
The Ceramic Industry  
Since 1983

# ALL YOU NEED FROM KILN INFEED TO FINAL LINE

LOAD & UNLOAD  
WITH VACUUM GRIP

We provide training programmes at our polishing, cutting and squaring plant named 'Pulidos, la Plana' (PLP), located in Spain. Your employees will learn how the machines work in order to achieve the maximum performance of it.
